PRACTICE AREAS

Business Law

Cryptocurrency & Blockchain

Securities & Capital Markets

My role is to provide practical strategic legal advice to my clients that allows them to accomplish their business objectives.

Eugene is a trusted advisor to a number of public and private companies. His practice focuses on the areas of securities, corporate finance, and mergers and acquisitions.

As head of McLeod Law's Securities & Capital Markets group, Eugene has extensive experience advising companies on initial public offerings, private placement financings, corporate governance matters, securities reporting, and general regulatory compliance issues, private equity funds, purchase and sale transactions, limited partnership offerings, corporate restructuring and reorganizations.

He has provided advice in a wide variety of business sectors, including technology, oil & gas, oilfield services, real estate, mineral exploration, alternative energy, financial services, manufacturing, biotechnology and life sciences, pharmaceutical, health care and cannabis.

Eugene is also a director and officer of a number of private and public companies. He is recognized by **The Best Lawyers in Canada** for work in Securities Law. Additionally, Eugene is recognized by **The Canadian Legal Lexpert Directory** for Corporate Mid-Market.

Education

1993 University of British Columbia, LLB
