Cannabis

I strive to provide clients with responsive advice and emphasize getting the deal done.

Andrew is a business lawyer with over 25 years of experience providing business-focused legal advice. He works with entrepreneurs, owner-operators, and mid-sized enterprises, providing legal advice on:

- Mergers and acquisitions
- Initial public offerings
- Private market financings
- Equity financing
- Debt financings
- Stock exchange listings
- Corporate governance
- Regulatory compliance
- Re-organizations
- Shareholder agreements

- Contractual drafting and unique contractual drafting
- Deal structuring

Education

- 1991** University of Western Ontario, LLB
- 1985** University of Oklahoma, BBA
- 1983** Mount Royal University

Admission

- 1992** Alberta

Experience

Andrew has extensive experience structuring and setting up real estate-based joint ventures, limited partnerships, and management agreements.

Andrew works with several mortgage investment entities in the private capital markets, dealing with share distributions, regulatory compliance, and ongoing registrant obligations.

Some of Andrew's clients include businesses involved in real estate building and development, oil and gas exploration and service, environmental services, manufacturing, and construction.
